

Sruthi Lanka is the CFO at Public.com, the investing platform that allows everyone to invest in stocks, ETFs, treasuries, crypto, and alternative assets—all in one place.

In her role as CFO, Sruthi oversees finance, data, and people operations. Previously she was the VP of Strategic Finance at MoneyLion, the fintech startup and challenger bank. She was MoneyLion's first finance hire in 2017 following its Series A, and built the team that forecasts and monitors the firm's financial performance, overseeing financial planning, capital optimization, fundraising, and Board engagement. She also worked on mergers and acquisitions for RBC and Goldman Sachs.

Sruthi also serves on the Board of the nonprofit Women Creating Change.
